

# WEI' NUM TRAINING PROGRAM

## TEXTILES 1 / SCREEN PRINTING

Participants are given an introduction into the development and production of silkscreen printing for T-shirts. The skills learnt will help support the participant's continued involvement in merchandise production for the local tourist market and gives them the platform in which to continue training in cultural industries.

### Training Pathway

Through hands on training participants through the skill set delivery get an insight into more formal certificate training in Cultural Industries.

#### Courses:

*Certificate II Aboriginal and Torres Strait Islander Cultural Arts*

*Certificate III Aboriginal and Torres Strait Islander Cultural Arts*

*Certificate IV Aboriginal and Torres Strait Islander Cultural Arts*

*Diploma Aboriginal and Torres Strait Islander Visual Arts*

### Employment

On completion of skill set training participants will be able to work as a studio assistant in support of silkscreened t-shirt production.

### Skill Set Break Down

#### OHS

Participants will be working under industry conditions, were they will train in OHS and producing their own range of T-shirt for the commercial market.
